COVER LETTER

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Attached please find an executed declaration for the above-referenced national phase application. This is in response to the Notification of Missing Requirements dated October 5, 2005. The required fee is also enclosed.

The Office's attention is directed to the name of the fourth inventor. The name of the fourth inventor has been corrected in this declaration from the name indicated in the international application. That is, the name has been changed from Tsuyoshi NAKAHAMA to Takeshi NAKAHAMA. The name was incorrect in the international application papers.

The error in the fourth inventors name was due to a typographical error in the PCT application sheet. The error was discovered when preparing for entry into the national phase.

The attached Declaration and Power of Attorney includes both Japanese language text and English language text. The English language text constitutes an accurate translation of the Japanese language text.

Respectfully submitted,

Masami MIURA et al.
